

Project

S/C 012

Project Location

Bernard Terrace / Spittalfield Crescent

Description of proposal

A zebra crossing on Bernard Terrace, near the junction, to improve crossing facilities for pedestrians travelling North South on St Leonard's Street.
**Please note progressing such a scheme would be subject to agreement with Road Safety on position / sight lines relative to St Leonard's, and the necessary changes to existing parking zone.*

Estimate of project

£25K to £30k
