

Treasurer's Report
Southside Community Council, January 2016

- Our Southside Community Council Constitution was ratified on **Wednesday 6th January 2016.**

- **Meetings**
Regarding our meetings and formal meetings there is an advice from council from Julie Dickson that our formal meeting **should not** be held in member's homes.

- **SCC Bank Account**
We did a proper research with Jim Orr about our possibilities opening our bank account. As soon as our constitution was ratified last week I applied for our community bank account within Bank of Scotland.
Online application has been sent and **successfully submitted**. An e-mail has been received confirming our application. Two signatories will be needed once established (chairperson and treasurer). Once sent, subject to relevant account opening, our new account can be open within 10-14 working days.
